BOOKING FORM

Exodus holidays are by nature active and can be strenuous. Before completing and signing this booking form you should fully understand what is involved in your chosen holiday and be confident that you and those travelling with you are fit enough to fully participate in all the activities.

Please complete this form in CAPITALS for each participant. Where applicable, the details you enter must be identical to what is in your passport e.g. name, nationality; do not use abbreviations. If possible, please complete all sections of the form, but if you do not have your passport details at the time of booking, or you will need to obtain a new passport before you travel (most countries require that your passport is valid for at least six months on entry), please ensure that you send us these details at the earliest opportunity – if applicable, we will send you a form to complete with your booking confirmation. Please advise us immediately if any of the information you give us on this form changes.

Signing this Booking Form indicates that you have read the Booking Conditions and agree to abide by them.
